**Other Key Terms and Questions**

This price disclosure is an example based on the usage levels above and recurring charges. Your average price for electric service will vary according to your usage and factors described below. The example prices shown above are based on Energy Charges by utility as follows: 20.9¢ for Centerpoint, TNMP, AEP North, AEP Central and Oncor.

The price also includes a Monthly Fee of \$4.95 per ESID. The price also includes a recurring Advanced Metering Surcharge of \$3.40 in the TNMP service area and \$2.26 in the AEPC service area and \$2.35 in the AEPN service areas which is passed through from your TDSP, if applicable.

The price does not include: Utility Underground Facilities and Cost Recovery Charge if authorized by your city (See your Utility's tariff for a list of cities and authorized charges), the optional JustGreen Charge (if selected), state and local sales taxes, reimbursement for the state miscellaneous gross receipts tax. It also does not include non-recurring charges such as (for illustration purposes only) special meter read/test fees, collection fees, disconnect/reconnect fees, etc.

See Terms of Service (TOS) for a full listing of fees, deposit policy and other terms.
